If music be the food of love, play on [Shakespeare]

🎵 Summary

Transforms ideas into vibrant, living experiences. From composing *Sappho* to reimagining *Cinderella*, my work blends creativity with purpose, inspiring others to see the world in new ways. As a mentor, I spark curiosity and encourage students to explore their own artistic voice, creating spaces where creativity thrives.

🎵 Professional Experience

Composer and Pianist | Original Production - touring show | 2024 - present

Sappho | Oregon House, New York, San Francisco

Collaborated with the actress Mari Reeves, Moran composed a one-hour musical play exploring the life of the Greek poet Sappho. The production showcases original music intricately woven into the storytelling narrative.

Moran designed a comprehensive production and marketing management across US and international venues. The project will expand to include studio recordings for multiple music platforms and a comprehensive showbook featuring script, musical scores, and exclusive artist interviews.

Music Director & Pianist | Apollo Theatre | Oregon House, CA | 2021 - 2022

Wizard of Oz | Apollo Arts | 2022

Transformed the production through innovative musical direction, including original instrumental arrangements and singer coaching. Collaborated closely with choral director Daniel Canosa and actively participated in fundraising initiatives. The production culminated in two sold-out performances at an outdoor amphitheater.

Cinderella (Rodgers & Hammerstein) | Apollo Arts | 2021

Reimagined the musical's instrumentation and provided comprehensive performer coaching. Worked in collaboration with choral director Daniel Canosa to deliver a refined musical interpretation, resulting in two sold-out performances at an outdoor amphitheater.

Performing Pianist | House of Fates | Nevada City, CA | 2022

Gold Can't Love You Back | 2022

An original play about the gold rush period, with music by Sky Seals. Served as lead pianist, driving the performance of a dynamic jazz trio.

Clover Cafe | 2024 - present

Curates monthly open mic nights, creating a platform that empowers and showcases local musical talent through supportive accompaniment.

🎵 Teaching

Designed and delivered workshops for diverse age groups as part of a business Moran owned, emphasizing using music and frequencies as a healing medium, delivered to more than 300 health care providers | Tel - Aviv | 2014 - 2017

With over 25 years of experience in education, I have designed and led dynamic programs for youth and adults across both formal and informal settings. I have expertise in curriculum development and lesson planning, creating engaging and effective lessons tailored to diverse student needs. Skilled in classroom management, I foster an environment of respect, discipline, and engagement while providing individualized attention to ensure student success. I have mentored teenage instructors, helping them develop teaching skills and leadership qualities. My adaptability allows me to adjust teaching methods to accommodate different learning styles and age groups, ensuring maximum student engagement and development. Additionally, I excel in building strong rapport with students, parents, and colleagues, promoting a supportive and communicative learning environment. | Israel, US | 1994 - 2019
